

META MINDS PVT. LTD.

ONLINE UNPAID INTERNSHIP TERMS, CONFIDENTIALITY & INTELLECTUAL PROPERTY AGREEMENT

Document Type: Unpaid Training Internship Agreement

Applicable To: Interns joining META MINDS PVT. LTD.

Internship Duration: 4 to 6 Months

Acceptance Method: Electronic Acceptance through HR Portal

1. INTRODUCTION

Welcome to **META MINDS PVT. LTD.**

This Online Unpaid Internship Terms, Confidentiality & Intellectual Property Agreement (“Agreement”) sets out the terms and conditions applicable to your internship with META MINDS PVT. LTD. (“Company”, “Meta Minds”, “we”, “us” or “our”).

By selecting **“I Agree & Accept”** on the Company's HR portal and submitting your application/acceptance, you confirm that you have read, understood and agreed to these terms.

This Agreement is intended to govern an **unpaid training internship** and does not by itself constitute an appointment to a permanent or paid employment position.

2. INTERN DETAILS

The following information will be recorded through the Company's HR portal:

Full Name: [Auto-filled / Entered by Intern]

Email: [Auto-filled / Entered by Intern]

Mobile Number: [Auto-filled / Entered by Intern]

Internship Position: [Selected Position]

Department: [Selected Department]

Internship Start Date: [Date]

Expected Internship Duration: 4–6 Months

Reporting Manager/Mentor: [Assigned by Company]

Work Location/Mode: [Office / Remote / Hybrid]

3. NATURE OF THE INTERNSHIP

3.1 The internship is primarily a **training and professional learning programme**.

3.2 The purpose of the internship is to provide practical exposure, professional training, project experience, mentorship and an understanding of real-world business and technology environments.

3.3 During the internship, the Intern may receive training and may be assigned practical exercises, project work, research, development work, testing, documentation, marketing work, design work, support work or other activities related to the Company's operations.

3.4 The Intern understands that participation in practical Company projects is part of the Company's training and evaluation process.

3.5 The internship does not automatically create a permanent employment relationship.

4. UNPAID INTERNSHIP

4.1 The internship offered under this Agreement is an **unpaid internship**.

4.2 The Intern will not be entitled to salary or guaranteed stipend merely by joining or completing the internship.

4.3 Unless specifically communicated by the Company in writing, the Company does not guarantee:

- salary;
- stipend;
- employment;
- employee benefits;
- paid leave;
- payroll status;
- promotion;
- permanent employment; or

- any particular designation after completion of the internship.

4.4 Any payment, stipend or employment offered by the Company in the future shall be governed by a separate written document issued by the Company.

5. INTERNSHIP DURATION

5.1 The internship shall ordinarily be for a period of **four (4) to six (6) months**.

5.2 The actual duration may depend upon:

- training requirements;
- project requirements;
- performance;
- attendance;
- conduct;
- learning ability;
- business requirements; and
- Company's evaluation.

5.3 The Company may extend or shorten the internship period where reasonably required, subject to applicable law and the terms communicated to the Intern.

6. NO GUARANTEE OF PAID EMPLOYMENT

6.1 Successful completion of the internship does **not guarantee a paid job**.

6.2 The Company may consider the Intern for a paid position based on the Company's requirements and the Intern's performance.

6.3 Factors that may be considered include:

- quality of work;
- technical skills;
- practical knowledge;
- learning ability;

- productivity;
- attendance;
- punctuality;
- communication;
- teamwork;
- discipline;
- problem-solving ability;
- ability to meet deadlines;
- project contribution;
- client/project requirements; and
- availability of suitable positions.

6.4 If the Intern meets the Company's requirements, the Company may offer a paid role through a separate employment/appointment letter.

6.5 The salary, designation, employment conditions and benefits of any future paid role will be specified separately.

7. INTERNSHIP CERTIFICATE

7.1 An Intern who satisfactorily completes the Company's internship/training programme may be awarded an **Internship Certificate**.

7.2 The Company may consider the following before issuing the certificate:

- completion of assigned training;
- satisfactory performance;
- attendance;
- professional conduct;
- completion of assigned work;
- proper project handover;
- compliance with Company policies;

- return of Company property; and
- compliance with confidentiality and security obligations.

7.3 An Internship Certificate confirms participation/completion of the internship. It does not constitute an employment offer.

7.4 If the Intern does not meet the Company's internship requirements, the Company may decide not to issue a completion certificate, subject to applicable law and the circumstances of the internship.

8. PERFORMANCE EVALUATION

The Company may evaluate the Intern periodically.

Evaluation may include:

- technical performance;
- quality of work;
- productivity;
- attendance;
- punctuality;
- communication;
- discipline;
- teamwork;
- initiative;
- learning progress;
- problem-solving;
- project contribution; and
- professional behaviour.

The Company's evaluation may determine whether the Intern is suitable for a future paid position.

9. CONFIDENTIAL INFORMATION

During the internship, the Intern may receive access to confidential information belonging to the Company or its clients.

“Confidential Information” includes, but is not limited to:

Business Information

- business plans;
- business strategies;
- pricing;
- quotations;
- proposals;
- financial information;
- sales information;
- marketing strategies;
- customer information;
- supplier information;
- vendor information;
- employee information;
- internal processes;
- business methods;
- future plans;
- internal reports;
- management information;
- contracts; and
- other non-public Company information.

Technical Information

- source code;

- software;
- applications;
- websites;
- databases;
- database structures;
- APIs;
- API keys;
- access tokens;
- passwords;
- credentials;
- cloud accounts;
- server information;
- system architecture;
- technical documentation;
- algorithms;
- scripts;
- automation;
- development tools;
- testing systems;
- deployment processes;
- DevOps information;
- cybersecurity information;
- AI systems;
- AI prompts;
- AI workflows;
- datasets;

- proprietary tools; and
 - technical designs.
-

10. CLIENT CONFIDENTIALITY

The Intern may receive confidential information relating to Company clients.

Such information may include:

- client names;
- contact information;
- requirements;
- business plans;
- project details;
- source code;
- databases;
- credentials;
- software;
- websites;
- applications;
- financial information;
- customer information;
- marketing information;
- analytics;
- contracts;
- proposals;
- pricing;
- internal documents;
- unpublished products; and

- client intellectual property.

The Intern shall keep all such information confidential.

11. PROHIBITED DISCLOSURE

The Intern shall not, without written authorisation from the Company:

- disclose Confidential Information;
- publish Confidential Information;
- sell Confidential Information;
- share Confidential Information;
- forward confidential documents;
- copy confidential documents;
- upload confidential information to public platforms;
- send confidential information to unauthorised persons;
- use confidential information for personal purposes; or
- use confidential information for another business.

12. PROJECT AND SOURCE-CODE SECURITY

The Intern shall protect all Company and client projects.

The Intern shall not:

- copy Company source code to personal repositories;
- upload Company source code to personal GitHub/GitLab/Bitbucket accounts;
- download project files for personal use;
- share project credentials;
- share passwords;
- share OTPs;
- share API keys;

- share database credentials;
 - copy client databases;
 - upload client information to personal cloud storage;
 - transfer Company files to unauthorised devices;
 - bypass security controls;
 - access systems outside authorised permissions;
 - modify systems without permission;
 - delete project information without authorisation;
 - install unauthorised software;
 - disclose vulnerabilities to unauthorised persons; or
 - intentionally damage Company systems or data.
-

13. AI TOOL SECURITY

The Intern shall not upload Company or client Confidential Information to external AI systems without prior Company authorisation.

This includes:

- source code;
- databases;
- client information;
- passwords;
- API keys;
- confidential documents;
- internal business information;
- proprietary algorithms;
- private project information;
- personal data; and

- unreleased product information.

The Intern shall follow the Company's AI and cybersecurity policies.

14. SECURITY INCIDENT REPORTING

The Intern must immediately report to the Company if the Intern becomes aware of:

- unauthorised access;
- data leakage;
- password leakage;
- stolen credentials;
- phishing;
- malware;
- lost Company device;
- accidental disclosure;
- source-code exposure;
- client-data exposure;
- security vulnerability; or
- any other suspected security incident.

Failure to report a known security incident may constitute a breach of this Agreement, subject to applicable law.

15. INTELLECTUAL PROPERTY

15.1 Subject to applicable law, work product created by the Intern specifically for Company assignments, projects or training shall belong to the Company to the extent permitted by law.

15.2 This may include:

- source code;
- software;
- applications;

- websites;
- UI/UX designs;
- graphics;
- videos;
- documents;
- presentations;
- reports;
- marketing materials;
- content;
- scripts;
- automation;
- databases;
- research;
- technical documentation;
- inventions;
- improvements;
- project concepts; and
- other work product created specifically for the Company.

15.3 The Intern shall not sell, publish, license, distribute or commercially exploit Company-owned work without written permission.

16. PRE-EXISTING WORK

Any intellectual property independently created by the Intern before the internship and not using Company resources shall remain the Intern's property.

The Intern must inform the Company before incorporating pre-existing material into a Company project.

17. COMPANY PROPERTY

Company property may include:

- laptops;
- computers;
- mobile devices;
- ID cards;
- documents;
- access cards;
- storage devices;
- software accounts;
- project files;
- credentials;
- cloud accounts;
- development tools;
- software licences; and
- other materials provided by the Company.

All Company property must be returned when requested or when the internship ends.

18. PERSONAL DEVICES

Where the Intern uses a personal device for authorised Company work, the Intern must maintain reasonable security and must not allow unauthorised persons to access Company information.

The Intern shall not retain Company confidential files after the end of the internship.

The Company may require deletion or return of Company information stored on personal devices, subject to applicable law and reasonable verification procedures.

19. SOCIAL MEDIA AND PUBLICATION

The Intern shall not publish confidential or unpublished Company/client information on:

- Instagram;
- Facebook;
- LinkedIn;
- YouTube;
- WhatsApp;
- Telegram;
- X/Twitter;
- Reddit;
- GitHub;
- personal websites;
- blogs;
- public forums; or
- other platforms.

The Intern may mention the internship publicly only in a manner that does not disclose confidential or proprietary information and does not falsely represent the Intern's position with the Company.

20. CLIENT COMMUNICATION

The Intern may communicate with clients only through authorised channels and for authorised purposes.

The Intern shall not independently:

- negotiate contracts;
- provide unauthorised quotations;
- promise project delivery;
- change project scope;
- collect payments;

- make commercial commitments; or
 - represent the Company as an authorised decision-maker.
-

21. NON-SOLICITATION AND PROTECTION OF BUSINESS RELATIONSHIPS

The Intern shall not misuse Company Confidential Information to:

- divert Company clients;
- solicit Company clients for competing services;
- obtain business from Company clients for personal benefit; or
- induce Company employees or interns to leave the Company.

These protections shall apply during the internship and for the period permitted by applicable Indian law.

22. POST-INTERNSHIP RESTRICTIONS

The Company acknowledges that Indian law restricts agreements that prevent a person from carrying on a lawful profession, trade or business.

Accordingly, this Agreement does **not** prohibit the Intern from obtaining lawful employment, starting a lawful business or pursuing a lawful profession after the internship.

However, after leaving Meta Minds, the Intern shall continue to protect:

- Company Confidential Information;
- client Confidential Information;
- trade secrets;
- source code;
- proprietary technology;
- credentials;
- databases;
- business strategies;
- intellectual property; and

- other legally protected Company information.

The Intern shall not use such information to compete unfairly with or harm the Company.

23. CONFIDENTIALITY AFTER INTERNSHIP

Confidentiality obligations continue after the internship ends.

Information that qualifies as a trade secret or otherwise remains legally protected shall remain protected for as long as applicable law requires.

Other confidential information shall remain protected for the period reasonably necessary to protect the Company's legitimate interests, subject to applicable law.

24. NOTICE PERIOD

24.1 If the Intern voluntarily wishes to discontinue the internship before the agreed internship period is completed, the Intern should provide **two (2) months' written notice** to the Company, subject to applicable law.

24.2 During the notice period, the Intern shall:

- complete pending assignments;
- complete assigned training;
- document work;
- transfer project information;
- return Company property;
- assist with knowledge transfer; and
- maintain confidentiality.

24.3 The Company may waive or reduce the notice period at its discretion.

25. COMPANY'S RIGHT TO TERMINATE

The Company may terminate the internship, subject to applicable law and the circumstances of the internship, including where there is:

- serious misconduct;
- confidentiality breach;
- security breach;
- unauthorised access;
- misuse of Company property;
- unauthorised disclosure of client information;
- plagiarism;
- fraud;
- falsification of records;
- repeated failure to perform assigned work;
- serious attendance issues;
- violation of Company policies;
- harassment;
- inappropriate professional conduct;
- violation of applicable law;
- project closure;
- business restructuring;
- client requirement; or
- other legitimate business reasons.

Where immediate termination is necessary because of serious misconduct, security or confidentiality concerns, the Company may suspend access immediately and take other lawful steps.

26. TERMINATION HANDOVER

Upon completion or termination of the internship, the Intern shall:

- return Company property;
- return documents;

- return devices;
 - return access cards;
 - surrender Company credentials;
 - complete assigned handover;
 - transfer project materials;
 - stop representing the Company;
 - stop accessing Company systems; and
 - delete unauthorised copies of Company information.
-

27. DATA PROTECTION AND PRIVACY

The Company may collect and process Intern information for legitimate purposes connected with:

- recruitment;
- internship administration;
- identity verification;
- attendance;
- training;
- performance evaluation;
- HR administration;
- communication;
- security;
- compliance;
- certificates; and
- Company records.

The Company shall handle personal data in accordance with applicable Indian data-protection and privacy requirements.

The Intern agrees to provide accurate information and not knowingly provide false or misleading information.

28. ELECTRONIC ACCEPTANCE

The Intern agrees that acceptance of this Agreement through the Company's HR portal constitutes electronic acceptance of these terms.

The Company may record:

- Intern name;
- registered email;
- registered mobile number;
- date and time of acceptance;
- IP address;
- device/browser information;
- Agreement version;
- acceptance status; and
- other reasonable audit information

for the purpose of maintaining an electronic record of acceptance, subject to applicable law and Company privacy practices.

29. DECLARATION BY INTERN

By clicking “**I Agree & Accept**”, I confirm that:

- I have read this Agreement;
- I understand that this is an unpaid training internship;
- I understand that a paid job is not guaranteed;
- I understand that my performance will be evaluated;
- I understand that a future paid role requires separate Company approval and documentation;

- I understand the Company's confidentiality requirements;
 - I will protect Company and client information;
 - I will protect source code and project information;
 - I will follow cybersecurity requirements;
 - I will not misuse Company intellectual property;
 - I will not disclose confidential information;
 - I will comply with Company policies;
 - I understand the applicable notice requirements;
 - I understand that the Company may terminate the internship in appropriate circumstances;
 - I understand that confidentiality and intellectual-property obligations continue after the internship; and
 - I agree to these terms voluntarily.
-
